

ULTRA-MATTE. ULTRA-LUXE.

Welcome to Traceless™. An ultra-calm, velvet texture that invites touch and is engineered to perform. Stunning looks and colors that dance with light and shadows. And a sustainable approach that creates peace of mind and has earned environmental accolades. All from the minds of Wilsonart®: Surfaces you love, service you can count on, and people who care.

TRACELESS™
BY WILSONART®

WELCOME TO TRACELESS™

LUXURY. PERFORMANCE. RELIABILITY. SUSTAINABILITY. TRACELESS™ IS MORE THAN A BEAUTIFUL SURFACE — IT'S A NEW SENSATION.

CABINETS: ACORN VELVET
TABLE TOP: PEWTER VELVET

ULTRA-LUXE DESIGN

Usher in a new age of luxury by designing for the senses with a low-sheen, velvet touch, ultra-matte finish. Matte finishes create an edgy yet classic finish to any space, while our innovative anti-reflective surfaces allow colors to reveal themselves fully.

ULTRA-CALM PERFORMANCE

Design a warm and luxurious space that delivers a sense of calm and comfort you can count on with technology that is simple to clean, can easily buff out scratches and scuffs, and does not retain fingerprints.

ULTRA-CONFIDENT RELIABILITY

Traceless™ puts luxury at your fingertips with a wide collection of designs, affordable pricing, and rapid delivery. With more than 100 locations in the U.S. and Canada, Traceless™ delivery will be complete, in proper condition, and on schedule.

ULTRA-INTENTIONAL SUSTAINABILITY

Traceless™ inspires a warm, natural feel while meeting UL GREENGUARD Gold certification for low chemical emissions for indoor air quality. And every surface is thoughtfully crafted and SCS certified with an average of 22% post-consumer recycled content.
