

## LandScapes™ Select

Natural appearance  
for a pristine landscape.

Remarkable natural  
grass appearance.

A waterless, low-maintenance  
alternative to live grass.

Great for areas where  
natural grass is difficult  
to grow or maintain.

Exceptional resiliency  
and improved performance.

Designed for long-lasting  
installations in any climate.

# Introducing Mow Lines™

by ForeverLawn®

Mow Lines by ForeverLawn  
transforms upscale properties  
with its unparalleled patterned  
design, delivering pristine mow  
lines without the maintenance.

Exceptional stability where  
reflected heat is a concern.

Designed for optimal performance  
in high-traffic environments.

Provides the most natural  
appearance on the market.

## ForeverLawn Fusion

### Fusion Elite

Durable beauty,  
four shades of  
green with tan

### Fusion Prizm

All-nylon, durable  
and comfortable,  
unique and  
vibrant coloration

### Fusion Flex

Durable beauty,  
lighter  
construction,  
three shades of  
green with tan

### Fusion Pro

Durable beauty,  
dense  
construction,  
four shades of  
green with tan

Featuring our new, exclusive Legacy Fiber™ yarn.

Years of research and development have resulted in  
the first artificial grass with a uniquely high level of  
resistance to heat. With its technologically advanced  
nylon blades, Fusion resists the  
deformation significant heat can cause  
to other synthetic grass products.
