WOODMARK COLLECTION

CREATE DISTINCT DIMENSION

✓ **Natural Variating Patterns**

Each wood siding color consists of 20 unique grain patterns, creating a natural aesthetic without complicating installation to avoid duplicating patterns.

✓ **Superior Finishing Technology**

Boards are finished using superior pigments and a proprietary enamel-like topcoat—ensuring fade resistance and protection from destructive UV rays.

✓ **Durable Craftsmanship**

This collection combines authentic woodgrain patterns and the natural warmth of real wood colors, with the superior strength of engineered wood siding.
